All in the group were in favor of trialing this.

Year end gifts to club

The discussion on potential year end gifts to the club was had with a couple of good ideas being presented. After discussion, it was decided that the MGA would review the final balance in the MGA account after the last event and would be contributing a percentage of the purchase price to "apple crate" ball holders on the range, an upgrade to the present ball bags presently being used on the range. We will need about 15 of these to cover the range. Tim made a motion to assist in purchasing these crates and Matt made a second motion. All were in favor of this motion.
